

research question

first question:

features of the product

- a great percentage of the course reaching 70% of the course is focused on speaking
- working two hours per session and three sessions a week
- the classes can be considered private classes teaching 3-4 students per class allows us to make sure every single information is delivered clearly and practiced strongly
- in the 30 days challenge our trainer will be following you up all day long by himself with working with you on tasks and answering all of your questions
- we work on various topics many of them related to the American cult (you won't be speaking English you'll be living it)

second question:

what is it to be called:

the name isn't settled yet but we'll be offering

the general English course and English conversation clubs

third question:

How is it differentiated versus your competitors?

- we offer a very low price in comparison to other competitors with a great not offered by any competitor
- the constant following up which we discussed above
- the constant offers we give such as free placement and also free English club for one month in the 3 months subscription
- working by the CEFR international system

- using the needs analysis allows us to tailor the course for you
- there will be a graduation project after finishing every level enhancing your soft skills and also your English

fourth question:

What is the value of the product or service to the buyer?

- we are offering more than just an English course we are developing the personality of our customer developing his communication skills to communicate better in every situation
- improving most of the other soft skills such as presentation skills and self-confidence , self-esteem and even interview skills using the roleplays to teach you how to act in the situation
- not only passing the level you'll learn how to keep the constant development teaching you how to learn English correctly to reach the fluency
- every session is light and funny because part of the course is roleplays, games and even acting in plays and sketches
- breaking the fear barrier to speak in front of people in English by preparing presentations and even presenting them

fifth question:

Are there established price Points for products or services in this area?

prices are from: 400 ----- 700 pound and subscription like 2650 for 6 months

sixth question:

How is your price compared to competitors?

we offer our course in 400 pound which is considered low for the quality we offer
