Social Media: Facebook, Instagram, TikTok, LinkedIn — content planning, scheduling & community management	Brand & Design: Brand identity development, Canva (advanced), Wix website editing, visual direction
Paid Advertising: Meta Ads Manager fundamentals (campaign setup, audience targeting,), TikTok Ads (basic)	Analytics & Reporting: KPI frameworks (Awareness, Engagement, Sales, Retention), Meta Insights, performance tracking
Content & Copywriting: Arabic & English copywriting, content calendars, Hero/Hub/Hygiene framework, content audits	Market Research: Competitor analysis, customer segmentation, pricing research, Business Model Canvas
Strategy & Planning: SWOT, SMART goals, 4Ps, Blue Ocean strategy, buyer personas, customer journey mapping	AI & Digital Tools: ChatGPT, Canva AI, Microsoft Office 365 (ECDL certified), Odoo CMS

PROFESSIONAL EXPERIENCE

Customer Service Ambassador — Boost Mobile Account

Concentrix · Cairo, Egypt

Aug 2025 – Present

- **Awarded 1st Enterprise Loyalty Award (2026)** — top performer on the Boost Mobile account for customer retention and satisfaction metrics.
- Maintained strong first-contact resolution rates on mobile plans, billing, and technical queries — directly reducing re-contact costs.
- Identified recurring customer friction points and contributed structured feedback that improved FAQ content and support workflows — mirroring CRM-driven marketing insight loops.
- Delivered consistent brand tone across voice, chat, and email channels, reinforcing brand voice skills applicable to social media moderation.

Customer Service Ambassador — Fintech / BNPL

Tabby Technologies Egypt · Cairo, Egypt (The Greek Campus)

Apr 2025 – Aug 2025

- Supported customers through flexible payment and BNPL product journeys, building deep understanding of e-commerce customer behaviour and purchase decision-making.
- Gathered and organised recurring feedback to improve FAQ content — lowering repeat contact rates and demonstrating content-loop thinking.
- Developed knowledge of e-commerce UX pain points directly applicable to landing page optimisation and conversion-focused marketing copy.

Digital Marketer

New Direction English Academy · Egypt (Remote)

Sep 2020 – May 2022

- Led full brand identity creation — logo direction, tone of voice, colour palette, and positioning in the Egyptian EdTech market.
- Developed and executed monthly content campaigns across Facebook and Instagram — managing editorial calendars, scheduling, and community engagement.
- Produced a structured marketing plan: buyer persona research, dual SWOT analysis, and customer journey content map.
- Conducted ongoing competitor analysis across Egyptian English-learning academies to inform pricing strategy and content differentiation.
- Monitored campaign KPIs and adjusted content strategy based on engagement and reach data.

Website Editor & Digital Content Coordinator

Jul 2019 – Feb 2020

Fine Stone — One Stop UnionAire Group · Egypt

- Edited and optimised product landing pages on Odoo CMS, improving content clarity and page structure for better UX.
- Wrote product descriptions aligned with brand voice to support organic discoverability and conversion.
- Tracked SEO performance metrics and implemented on-page adjustments; commended by E-commerce Manager for creative consistency.

MARKETING PORTFOLIO PROJECTS

Kyoko Gifts — Full Marketing Plan · 2026 · Gift & E-commerce Brand, Cairo

- Built a full marketing plan: Business Model Canvas, brand identity system, SWOT, 5 SMART goals, 2 buyer personas, 4Ps, competitive analysis, Blue Ocean positioning, Push & Pull strategy, Meta + TikTok ad copy content pillars, online sales funnel, moderation guide, and 6-category KPI framework.

New Direction Academy — Strategy & Research Package · 2020–2022 · EdTech

- Dual SWOT analyses, buyer persona, customer journey content map, product value proposition research, pricing competitor analysis, and a structured business proposal deck.

Hosting w Domain — Website Audit & Recommendation Report · Tech / SaaS

- Structured UX and content audit covering site architecture, brand identity gaps, content quality, landing page friction, and a 6-point execution roadmap with A/B testing recommendations.

EDUCATION

Bachelor of Science — Astronomy, Meteorology & Space Science

2019 – 2023

Al-Azhar University, Faculty of Science · Cairo, Egypt

- MFA-authenticated degree (certified for international use). Grade: Good (68.71%). Quantitative analysis background reinforces data-driven approach to campaign measurement.
